CHIARA CERTOMÀ

Assistant professor
Unito - Esomas

Chiara Certomà works as SPIN Grant-Holder at Ca'Foscari University of Venice, Research affiliate at Sant'Anna School of Advanced Studies and at the University of Ghent. Her interests focus on innovative modes of urban governance and planning brought about by the digital turn and induced by the pressing socio-environmental challenges. She collaborates as Senior Research Fellow with the Earth System Governance Research Network and the University of Waikato on community e-planning for sustainability transition.
