and spatial justice

## **DANIELA FESTA**

*Research fellow*

**Sapienza**

Daniela Festa is research fellow at the University of Roma La Sapienza and lecturer in Political and Economic Geography at the University of Bologna.

She works with a critical legal geography approach on different topics such as spatial justice, urban democracy and political participation, the right to the city, urban commons, housing affordability, transitions strategies and social innovation.

She has been engaged in several collaborative projects - especially in France and Italy - with many academic and research institutions such as Naterre University, *EHESS* and *Sciences Po* in Paris, CNRS, France, the DipSU of Roma Tre University, Tor Vergata University in Rome, the *Società Geografica Italiana* and with other international institutions such as the Dip of Sociology, Columbia University in New York, the Swiss Institute in Rome, the *Maison des Sciences de l'Homme* in Paris.
